--Duplicate of nomination form for Pennsylvania Inventory of Historic Places

___ Annual report, current budget, latest IRS Form 990 (Return of Organization Exempt from Income tax), if filed, and most current audited financial statement. (Organizations without an audited financial statement should submit a balance sheet (assets and liabilities) and an accounting of income and expenses over the last year and provide any additional pertinent information about the organization's finances.)

X Copies of recent newsletters, brochures and other printed material produced by the organization, plus recent press clippings.

___ A list of the names, positions and occupations of all board members, identifying all board members who are minorities and also those who are project neighborhood residents.

___ A list of all staff members, identifying those who are minorities. Include resumes or brief descriptions of the backgrounds of staff members who will work on this project.

X City map pinpointing the location of the neighborhood project and showing its relationship to other activities or features of the area.

___ Four (4) 35 mm color slides that fairly represent the neighborhood, including one or more slides of the potential project buildings.

The organization's governing body has reviewed and approved the concept of the proposed project. Acting as a duly authorized representative of the described project and its sponsoring organization, I am submitting this request for assistance from the Inner-City Ventures Fund.
